Our mission is to provide UC Berkeley students who identify on the Autism Spectrum with academic and social supports that assist with a successful transition to campus at no additional cost to the student. We aim to build an accessible community by offering structured activities that promote options for social engagement and a sense of belonging.
OUR FOCUS

SOCIAL OPPORTUNITIES
- Weekly group meals
- Monthly on-campus events
- Physical activity meet-ups
- Study groups
- Regular discussion groups

ACADEMIC SUPPORTS
- Executive functioning skills
- Effective communication strategies
- SMART goal setting
- Self advocacy training
- Transition skills development
- Career development skills
- 1:1 disability management training
- Academic coaching through TRIO
